Specify any deficiencies in the undergraduate prerequisites:

(The responsibility for reading catalog requirements and for knowing when the program has been completed rests entirely upon the student. Application for graduation must be filed in the Graduate School Office before the deadline date in force during the final semester. See Graduate School calendar for this deadline date. Consult the Graduate Dean for information regarding applicable off-campus residence courses and transfer courses. Identify transfer courses with school abbreviation and date completed. Official transcripts of transfer work must be filed before courses can be approved.)
